Dear Parent or Guardian:

State law requires all children between the ages of 6 and 18 to regularly attend school unless excused for certain reasons. Parents, guardians or other adults responsible for the care of such children are required by law to send their children to school.

Please be sure that your child attends school regularly.

If your child does not attend school on a regular basis, the Department of Education may file an action in Family Court seeking a court order to insure regular school attendance by your child. If such a petition is filed, you and your child will be required to appear in Family Court.

Please cooperate with your child's school so that a court action will not be necessary.

Sincerely yours,

  
BEN H. GADDIS  
District Family Judge
